Reviews

This ebook can be worthy of a read, and much better than other. I have read and i am certain that i am going to planning to go through again once again in the future. You may like just how the writer compose this book.
(Mr. Grant Stanton PhD)

BACHELOR NATION: INSIDE THE WORLD OF AMERICA'S FAVORITE GUILTY PLEASURE (HARDBACK)

Penguin Putnam Inc, United States, 2018. Hardback. Condition: New. Language: English. Brand new Book. *A New York Times Bestseller* The first definitive, unauthorized, behind-the-scenes cultural history of the Bachelor franchise, America's favorite guilty pleasure. For sixteen years and thirty-six seasons, the Bachelor franchise has been a mainstay in American TV viewers' lives. Since it premiered in 2002, the show's popularity and relevance have only grown--more than eight million viewers tuned in to see the conclusion of the most recent season of The Bachelor. Los Angeles Times journalist Amy Kaufman is a proud member of Bachelor Nation and has a long history with the franchise--ABC even banned her from attending show events after her coverage of the program got a little too real for its liking. She has interviewed dozens of producers, contestants, and celebrity fans to give readers never-before-told details of the show's inner workings: what it's like to be trapped in the mansion "bubble"; dark, juicy tales of producer manipulation; and revelations about the alcohol-fueled debauchery that occurs long before the Fantasy Suite. Kaufman also explores what our fascination means, culturally: what the show says about the way we view so-called ideal suitors; our subconscious yearning for fairy-tale romance; and how this enduring television show has shaped society's feelings about love, marriage, and feminism by appealing to a marriage plot that's as old as the best of Jane Austen.
