"Buy the Paperback Version of this Book and get the Kindle Book version for FREE"Are you someone who has issues with procrastination? Do you wish that could solve this problem for yourself? If your answer to any of these questions is "Yes" read more and discover more information on this book. People struggle with procrastination and it is an issue that many wonder if they can get better with it because no matter how hard they try it still seems to show up no matter where they go. This book is not only going to be able to show you whether or not you have an issue with procrastination but how to solve it with real solutions if you do. We offer an easy quiz right from the start to show you if you are not struggling with it that much or if you're more of a hardcore procrastinator. We are able to show you groundbreaking information on the subject and how to recognize the warning signs of this problem in the first place and how to face your fears and be able to effectively make better decisions regarding your time and priorities. Offering tips on managing your time and schedule we are able to give you tips on making your day more fulfilled so that you are able to get more accomplished and feel more satisfied with yourself. Procrastination is a serious problem and we have serious solutions to offer you. Instead of being angry that your time is being wasted you can read this book and learn how to set goals for yourself that you can achieve realistically and how to meet your goals quickly so that you can have more free time. This book offers...
